Our Background

VSPM Academy of Higher Education, Nagpur is one of the leading institution in the field of quality education in and around Nagpur. Jawaharlal Nehru Arts, Commerce and Science College is being run successfully since 1990 in Wadi area. The college started with aims of providing quality education in the faculties of Science, Commerce and Arts at graduation levels. In order to meet the needs of time, new subjects like computer science, home economics, have been introduced. Responding to increasing demand from students, M.Com. course has been introduced from the session 2004-05. It is proposed to recognize a research centre for faculty of commerce from this academic session.

Our Goal

The institution has bright goals to implement various Policies and different programmes for the welfare of society. The goal is to promote unity, brotherhood and opportunities for learning, education in all walks of life and providing professional training for sustaining life of students and enlighten them to create awareness for harmony and mass of nation.

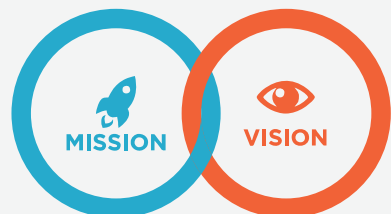

Our Mission

To become a centre of quality education by promoting high academic and social pursuits and competencies of students for growth and development of rural region.

Our Vision

To create a centre of academic excellence in the field of higher education for students and equip them to be good responsible citizens of the country by developing in them skills and competencies necessary for self-employment and values necessary for life irrespective of region, religion, caste, economic strata so as to enhance standard of living in rural areas.

Our Campus

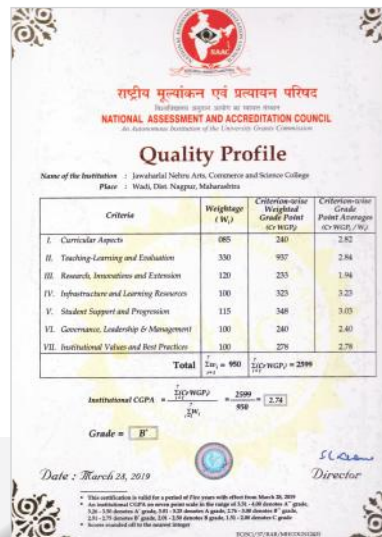

The college is situated in beautiful ambient atmosphere away from the crowded localities. The natural beauty of the premises is enhanced by a natural water tank (lake), lawn & garden adjacent to the college. This gives a lake view to the college.

Our Standards

College has Internal Quality Assurance Cell (IQAC) which continuously monitors quality of academic & extension activities.

Most of the teaching staff is engaged in Research for individual educational up-gradation. This assures the students most up-to-date knowledge in various subjects. On the level of Management the staff members are awarded in various field for inspiring them.

From the session 2018-19 VSPM Academy of Higher Education decided to get the college reassessed by National Assessment & Accreditation Council, Bangalore (NAAC). The aim is to improve our level of education. The untiring efforts of the Managing body and all the staff members put the college in B+ level of Accreditation by NAAC.

Message from the PRINCIPAL

“
Education is the most powerful weapon which
you can use to change the world

”

- Nelson Mandela

Young Friends,

I am very happy to welcome you to Jawaharlal Nehru Arts, Commerce and Science College, Wadi, Nagpur a renowned educational institute.

It is a matter of immense pleasure for me to be the Principal of the institution. This college stands for excellence and has been committed to quality education and value based educational environment since its inception. It is the institution with Potential for Excellence. img-principal

The mission of our institute is to produce multidisciplinary students by imparting excellent education in the stream of Arts, Commerce & Science. Our qualified, experienced and enthusiastic staff are eager to motivate the students to achieve high standards of performance.

The college has well-equipped laboratories, organized higher learning research centre, computer department, rich central and departmental libraries with sufficient reading rooms. The campus is healthy and beautiful with NCC, NSS units and various sports facilities that clearly ensures a smooth and efficient learning environment for under graduates, post graduates and doctoral research programme.

Whether it is academic excellence, fitness on the sport fields, inculcation of soft skills or making you market-ready graduates - we aspire to give you all this and much more. Exposure to practical applications further enhances the understanding and opens the doors of your minds to new horizons of knowledge. Taking into account our academic achievements, infrastructure, co curricular, extra-curricular activities and other all-round development, NAAC, reassessed the college as 'B+' grade. The graph of institutional progress is constantly increasing and students are occupying positions in almost all spheres of the society. Added to this, the institution & commitment to discipline will ensure that your talents and energies are never allowed to move in the wrong direction.

I took up the reins of college administration on 20th March 2023. I am quite sure that the guidance from the office bearers of the parent society, my affectionate and competent teaching staff, hardworking and amicable office staff, bright and meritorious students and all other stakeholders will help me to write a never to be forgotten chapter in the history of this college.

I wish you all a Happy and Successful journey of this college.

Dr. Sanjay S. Tekade
(Principal)

Student Support Facilities

We provide all the necessary facilities to our students to inculcate greed of knowledge in them. These facilities include not only curricular but also extra curricular and extension activities.

Library

We have a central library containing as many as 8500 books of all the subjects. We provide number of journals, magazines, periodicals, newspapers etc apart from reference books. Reading room is situated adjacent to the library which runs during college working hours. Apart from central library, each department has a departmental library.

Computer lab

English Lab.

Laboratories

A separate wing of Laboratories is built up for Science students. The wing has well-equipped laboratories of Chemistry, Physics, Computer Science, Botany & Zoology. Arts faculty has well-equipped Geography and Home Economics laboratory.

Women Grievance Redressal Cell

The main purpose of Women Grievance Redressal Cell is to make girls students aware from the society. The Main motto of this cell is to aware girls students to fight against injustice. Related programmes are regularly organised under this banner. Like gender discrimination including equal right to education and work, women empowerment, swayamsiddha.

Seminar & Conference

In order to acquaint the teaching staff with modern educational scientific development regular seminar & conference are organised by the college. The main thrust in the set process is on equating the teachers with recent development. So that the benefit their of can be passed on percolate. The ultimate benefit that the students the recent academic results and accomplished of the student in the different walks of life have their genesis in the seminar. The gain of technical & educational knew how keeping pace with changing time from intellectual exchange in seminars.

Workshop

Evolution is continues process an in order to make students more knowledgeable and committable to comfit regular workshop conducted are the under the aegis of the institute. The principal motto of the exercise is to enhance the skills of the students and make them participate in set process. So that their skills are further polished and the gain directly from the resource person knowledge and experience.

Environment Protection Cell

The main purpose of the Environment Protection Cell is to make students aware of the environment issues, challenges to biodiversity and conservation strategies. A number of activities such as Excursion to National Parks, lectures, cleanliness drive, planting species of highest rate of oxidation in the campus to minimize pollution, to ensure proper system for sewage disposal, waste water treatment are organised.

Swayamsiddha

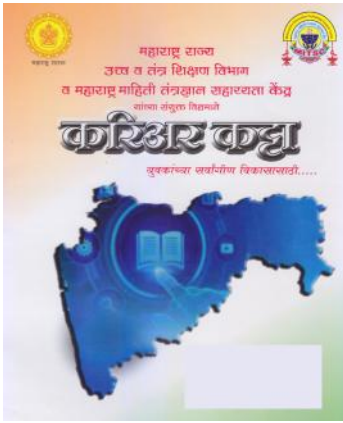

Self defence training is life skill that helps girls to be more aware of their surroundings and be prepared for the unexpected at any time. Through the self defence training the girls are taught to become psychologically, intellectually and physically strong enough to protect themselves in times of distress.

UGC Sponsored facilities

1. Digital Language Lab
2. Network Resource Center

National Service Scheme (N.S.S.)

The College has been implementing the National Service Scheme for many years. In every academic year 120 students are enrolled in the N.S.S. Annual special camp of one week is organised by the N.S.S. unit. The programme inculcates leadership qualities, spirit of service to society, initiative & dedication to social cause. It provides a good opportunity for personality development. Students with an inclination for social work are encouraged to join the N.S.S.
