### **Alumnae Feedback Analysis Report 2023-24**

In the session 2023-2024 of line feedback forms were filled by alumnae of all the faculties in the college. Questionnaire was framed based on the student's opinion about the college and their overall experiences about the college. This includes various activities, (curricular & extracurricular) campus environment, students' amenities, student's assessment and examination system. Students need to rate the questionnaire on the basis of 13 pointer satisfaction scale. In this session total 16 alumnae feedback forms were received. Overall 75 % alumnae rated on a higher scale for admission procedure followed by College for development of students, 75 % students rated as very good about fee structure of the college. 68 % of the students were feel very good with the college environment. 68.75 % students rated highly the infrastructure and lab facilities of college. 75 % students were rated highly for Project guidance. 68.75 % students rated good training and placements. 87.50 % students appreciated the faculty. 75 % students rated very good library facilities. 68.75 % said college is very good regarding providing quality support material. 81.25 % students said very well and good about canteen facility. There were no hostel facility provided by the institution. 75 % students willingly rated very well and good for Alumni association /network of old friends. Few students said that college had a big role in getting good job. There are some suggestions suggested by few alumnae during the feedback taken: • Needs good facility for canteen • Student's washrooms need improvements. • Parking area should be well organized • new skill oriented add on courses to be added • Sports should be compulsory subject • Student Development Program should be organized time to time • Personality Development workshop should be organize.

### **Student Feedback Analysis for the session 2022-2023.**

Students of line feedback forms were prepared and filled by the students at the end of the session. In the introductory part of the form, the students had to give their details about the course opinion related to course content, relevance of the course, sufficient amount of reading material available in the college library and also about the methods of internal assessment. They have to report their answers in the form of six grade scale from easy to very difficult about syllabus. In the student's feedback analysis 2022-23, total 271 students from the college filled the student feedback form. (Online Google form) As per the analysis, 59% students rated that the syllabus is somewhat difficult to understand and to study and 9.6 % student's found the syllabus is very difficult to understand and study. Syllabus is practically useful willingly rated by 69.4% students. 71.2% students said yes that the syllabus help to provide employment.9.6% students said no for this question. Syllabus is up-to-date said by 53.9% students. And 32.1% students said it is little bit up-to-date. Syllabus was helpful for developing soft skill rated yes by 66.8% students. And it is not soft skill based said by 9.6% students.76% students willingly rated yes for satisfied with the present syllabus and 4.8 % students are not satisfied with the current syllabus. According to students opinion syllabus is interesting but somewhat difficult but they equally feel that it should be more practical and job oriented. Suggestion of the students for examination system should be annual pattern rather than semester.

## Parents Feedback Analysis Report 2022-23

In the session 2022-2023 of line feedback forms were filled by parents of the students of all the faculties in the college. Questionnaire was framed based on the parent's opinion about the college and their overall experiences about the college. This includes various activities, (curricular & extracurricular) campus environment, students' amenities, and student's assessment. Parents need to rate the questionnaire on the basis of 13 pointer satisfaction scale. In this session Parent Teacher meeting was held and total 36 Parents feedback forms were received. Out of which **64.86%** parents rated on a higher scale for admission procedure followed by College for development of students, 50.76% students satisfied with the fee structure of the college. 66.15 % of the students were satisfied with the college environment. 61.53% students satisfied with the infrastructure and lab facilities. 61.53% students were rated for Project guidance. 46.15% students rated good training and placements. 64.61% students rated very good library facilities. 41.53% students said very well about canteen facility. There were no hostel facility provided by the institution. 58.46% students willingly rated very well for Alumni association /network of old friends. There are some suggestions suggested by few alumnae during the feedback taken: • Needs good facility for canteen • Student's washrooms need improvements. • Parking area should be well organized • new skill oriented add on courses to be added • Sports should be compulsory subject • Student Development Program should be organized time to time • Personality Development workshop should be organize.

**2021-2022**

**Student Feedback Analysis for the session 2021-2022.**

Students of line feedback forms were prepared and filled by the students at the end of the session. In the introductory part of the form, the students had to give their details about the course opinion related to course content, relevance of the course, sufficient amount of reading material available in the college library and also about the methods of internal assessment. They have to report their answers in the form of six grade scale from easy to very difficult about syllabus. In the student's feedback analysis 2021-22, total 317 students from the college filled the student feedback form. As per the analysis, 77% students rated that the syllabus is somewhat difficult to understand and to study and 4.7 % student's found the syllabus is very difficult to understand and study. Syllabus is practically useful willingly rated by 62.3% students. 70.23% students said yes that the syllabus help to provide employment. 9.56% students said no for this question. Syllabus is up-to-date said by 48.8% students. And 42.6% students said it is little bit up-to-date. Syllabus was helpful for developing soft skill rated yes by 68.6% students. And it is not soft skill based said by 6.46% students. 74.7% students willingly rated yes for satisfied with the present syllabus and 6.2 % students are not satisfied with the current syllabus. According to students opinion syllabus is interesting but somewhat difficult but they equally feel that it should be more practical and job oriented. Students also suggest that examination system should be annual pattern rather than semester.

**Report on Student Feedback Analysis for the session 2019-2020.**

Students of line feedback forms were prepared and filled by the students at the end of the session. In the introductory part of the form, the students had to give their details about the course opinion related to course content, relevance of the course, sufficient amount of reading material available in the college library and also about the methods of internal assessment. They have to report their answers in the form of six grade scale from easy to very difficult about syllabus. In the student's feedback analysis 2019-20, total 277 students from the college filled the student feedback form. As per the analysis, 2.32% students rated that the syllabus is somewhat difficult to understand and to study and 3.48 % student's found the syllabus is very difficult to understand and study. Syllabus is practically useful willingly rated by 89.61% students. 95.40% students said yes that the syllabus help to provide employment.4.42% students said cannot say for this question. Syllabus is up-to-date said by 91.78% students. And 8.31% students said it is little bit up-to-date. Syllabus was helpful for developing soft skill rated yes by 91.71% students. And it is little bit soft skill based said by 8.39% students.89.23% students willingly rated yes for satisfied with the present syllabus and 10.76 % students are little bit satisfied with the current syllabus. Student's opinion on syllabus is interesting but somewhat difficult but they equally feel that it should be more practical and job oriented. Students also suggest that examination system should be annual pattern rather than semester.

**Report on Student Feedback Analysis for the session 2018-2019.**

Students of line feedback forms were prepared and filled by the students at the end of the session. In the introductory part of the form, the students had to give their details about the course opinion related to course content, relevance of the course, sufficient amount of reading material available in the college library and also about the methods of internal assessment. They have to report their answers in the form of six grade scale from easy to very difficult about syllabus. In the student's feedback analysis 2018-19, total 263 students from the college filled the student feedback form. As per the analysis, 13.17% students rated that the syllabus is somewhat difficult to understand and to study and 3.11 % student's found the syllabus is very difficult to understand and study. Syllabus is practically useful willingly rated by 82.9% students. 80.90% students said yes that the syllabus help to provide employment. 2.91% students said no for this question. Syllabus is up-to-date said by 84.80% students. And 14.13% students said it is little bit up-to-date. Syllabus was helpful for developing soft skill rated yes by 65.36% students. And it is not soft skill based said by 2.08% students. 88.45% students willingly rated yes for satisfied with the present syllabus and 11.53 % students are little bit satisfied with the current syllabus. According to students opinion syllabus is interesting but somewhat difficult but they equally feel that it should be more practical and job oriented. Students also suggest that examination system should be annual pattern rather than semester.
