Report of Competitive Examination Guidance Classes

(2021-22)

The Competitive Examination Guidance Classes at Jawaharlal Nehru Arts, Commerce, and Science College, Wadi, Nagpur commenced on December 1, 2021, and continued until April 2022. These classes were organized on a regular basis in offline mode to provide students with comprehensive preparation for various competitive examinations. The classes were designed to help students build a strong foundation in the core subjects and enhance their knowledge and problem-solving abilities.

Two distinguished faculty members were appointed to conduct these sessions:

Mr. Nitin Uprikar was responsible for teaching Political Science and Geography. His extensive knowledge and experience in these subjects equipped students with the necessary understanding of fundamental concepts and advanced topics, enabling them to tackle questions effectively in competitive exams.

Mr. Ritesh Bawankar taught Economics and History. His structured approach and teaching methodology ensured that students developed a deep understanding of economic theories, historical events, and their interconnections. In addition to these primary subjects, both Mr. Uprikar and Mr. Bawankar also provided guidance in other areas crucial for competitive exams, including General Science, Mathematics, and current affairs.

The classes were held on Tuesdays, Wednesdays, Thursdays, and Fridays every week, with each session spanning two hours. This regular schedule allowed students ample time to absorb the content, revise, and clarify doubts. The holistic curriculum and dedicated teaching helped students build confidence and improve their preparedness for competitive exams.

The initiative of conducting these Competitive Examination Guidance Classes was instrumental in supporting students' academic growth and equipping them with the skills needed to excel in various competitive scenarios.
