Report of Competitive Examination Guidance Classes

(2021-22)

The Competitive Examination Guidance Classes at Jawaharlal Nehru Arts, Commerce, and Science College, Wadi, Nagpur commenced on December 1, 2021, and continued until April 2022. These classes were organized on a regular basis in offline mode to provide students with comprehensive preparation for various competitive examinations. The classes were designed to help students build a strong foundation in the core subjects and enhance their knowledge and problem-solving abilities.

Two distinguished faculty members were appointed to conduct these sessions:

Mr. Nitin Uprikar was responsible for teaching Political Science and Geography. His extensive knowledge and experience in these subjects equipped students with the necessary understanding of fundamental concepts and advanced topics, enabling them to tackle questions effectively in competitive exams.

Mr. Ritesh Bawankar taught Economics and History. His structured approach and teaching methodology ensured that students developed a deep understanding of economic theories, historical events, and their interconnections. In addition to these primary subjects, both Mr. Uprikar and Mr. Bawankar also provided guidance in other areas crucial for competitive exams, including General Science, Mathematics, and current affairs.

The classes were held on Tuesdays, Wednesdays, Thursdays, and Fridays every week, with each session spanning two hours. This regular schedule allowed students ample time to absorb the content, revise, and clarify doubts. The holistic curriculum and dedicated teaching helped students build confidence and improve their preparedness for competitive exams.

The initiative of conducting these Competitive Examination Guidance Classes was instrumental in supporting students' academic growth and equipping them with the skills needed to excel in various competitive scenarios.

REPORT OF COMPETITIVE EXAMINATION

GUIDANCE CLASSES

(2019-2020)

For the academic session 2019-20, Principal Dr. Jivan Dontulwar established a Competitive Examination Cell at Jawaharlal Nehru Arts, Commerce, and Science College, Wadi, Nagpur. This initiative aimed to provide structured guidance and support to students preparing for various competitive exams, ensuring they have access to high-quality resources and mentorship.

The cell was formed with the following members:

Coordinator: Dr. Manisha Bhatkulkar was nominated as the coordinator of the Competitive Examination Cell. She was entrusted with the responsibility of planning and overseeing all the activities of the cell, ensuring smooth and effective execution of the guidance programs.

Committee Members: Dr. Chetna Laddha, Dr. Sarang Khadse, Dr. Sumit Singh, and Dr. Bhaskar Waghaye were appointed as committee members. Their collective expertise and insights contributed to the overall development of the curriculum and the efficient management of the cell's activities.

To facilitate students' learning and to provide specialized instruction, the following faculty members were appointed:

Mr. Satish Walde: He taught Mathematics, General Science, and Statistics, ensuring that students gained a solid understanding of numerical and scientific concepts required for various competitive examinations.

Mr. Nitin Uprikar: With his in-depth knowledge and teaching experience, Mr. Uprikar was responsible for conducting sessions on General Science. His classes helped students build a strong conceptual foundation and analytical skills necessary for tackling scientific questions in competitive exams.

Mr. Yuvraj Meshram: He was appointed to teach Marathi grammar. His sessions were crucial for students appearing for state-level competitive exams, where proficiency in Marathi language and grammar is essential.

The Competitive Examination Guidance Classes for the session 2019-20 started in July 2019 and continued until March 2020. These classes were held regularly and covered a wide range of subjects, including Mathematics, General Science, Statistics, and Marathi grammar. The meticulously planned schedule and subject-specific guidance provided students with ample opportunities to learn, practice, and strengthen their grasp on various topics.

The Competitive Examination Cell, under the leadership of Principal Dr. Jivan Dontulwar and the coordination of Dr. Manisha Bhatkulkar, played a significant role in preparing students for competitive examinations by equipping them with the necessary knowledge and skills to succeed.
