# ACADEMIC AND ADMINISTRATIVE AUDIT REPORT

## Introduction:

VSPM Academy of Higher Education Nagpur's Jawaharlal Nehru Arts, Commerce and Science College was established in the year 1990, in the vicinity of rural area of Wadi Nagar Parishad of District Nagpur in the state of Maharashtra. VSPM Academy of Higher Education Nagpur was established in 1971 with a vision to extirpate all social ills from the society. The academy has under his umbrella, around 54 educational institutions including Medical, Dental, Physiotherapy, Nursing, Arts, commerce, Science, Management, Education Colleges, Schools and Hospitals.

The college is spread over a lush green sprawling campus of 1.75 acres with build-up area of 4327.73 sq. meters. The college runs graduate courses in Arts, Commerce and Science stream whereas post graduate in Commerce stream. The under graduate courses are under grant-in-aid, while the post graduate course in Commerce is self-finance. The college is accredited by NAAC with 'B+' grade in the year 2019. In 2010, the UGC accorded the 2(f) and 12(B) status to the college. The college has been inclusive to accommodate socially backward and economically marginalized rural based students. Thus, the college has shown its concern and commitment for social justice, ensuring equity and expanding the access to higher education.

The college has mission to become a centre of quality education by promoting high academic and social pursuits and competencies of students for growth and development of rural population.

## Major objectives of AAA:

1. To understand the existing system and assess the strengths and weaknesses of the Departments and Administrative Units and to suggest the methods for improvement and for overcoming the weaknesses.
2. To identify the bottlenecks in the existing administrative mechanisms and to identify the opportunities for academic reforms, administrative reforms and examination reforms etc.

3. To evaluate the optimum utilization of financial and other resources.
4. To suggest the methods for continuous improvement of quality keeping in mind criteria and reports by NAAC and other bodies.

### **Infrastructure:**

The major plus point of this college is its well-established infrastructure, being supportive to curricular, extra-curricular and co-curricular activities on healthy lines. The college premises of modern structures housing the classrooms and laboratories, catering to the needs of more than 800 students. Classrooms are well-equipped with adequate furniture, LCD projector, interactive board/ white board/green board, lighting, ventilation and computer systems to help ICT enabled teaching learning.

The college has a central library with rich collection of books (print and electronic) to meet the changing demands of user community. To cope up with every expanding fields of knowledge, the library is sufficiently equipped with ICT facilities, useful software packages and congenial environment to impart innovative teaching-learning programmes.

Separate common rooms for girls with all the basic amenities, CCTV surveillance, canteen, yoga and meditation room, gymnasium, green gym, playground, R. O. plant and solar grid are the most essential features of the college campus.

Apart from this, the college has its own auditorium to conduct cultural and academic activities like expert talks, seminars, debate etc. The laboratories of the college are fully equipped with latest equipment as required in the curriculum. College has well-furnished computer lab with existing capacity of 50 computers. A digital language lab has been established with 29 computers and English language software.

### **Teaching -Learning:**

The College has programmes to provide exposure to enhance the students learning experience by way of field trips, study tours, industrial visits, in-plant training and arranging departmental trips. In addition, guest lectures, motivational talks, memorial lectures, quiz and poster competitions are also arranged from time to time. In order to encourage the students to shape their future the college has made ample provisions for student support services like NSS, NCC, Competitive Examination Cell, Entrepreneurship Development Cell, CRT, Yoga and Meditation and sports. Due importance is given for the faculty enrichment and several

need-based awareness programmes, trainings and workshops have been the integral part of the college academic activity. It is a matter of pride that this college is encouraging the faculty and students to publish their creative output through college magazine Srujan“, Manuscript „Kalplata“, students wall-paper „Zoopedia“ and „English Knowledge Centre“

### **Special Features:**

The college has demonstrated the credible social responsibility by organizing Health Check-up Camp & Eye Check Up Camp for local surrounding people of wadi. College has adopted Khadgaon village under NSS and organizing regular activity and special NSS Camp since last nine years.

Teaching faculty of J. N. College forms a strong backbone of teaching, learning, research, publication and over all academic development. Many of them have undertaken research activities and availed of minor research projects. Some of the faculty have been on various bodies of the Universities such as BOS, Senate, Management Council, Grievance Redressal Committee, Special Examination Committee, Standing Committee Member and Member of 32/5. All the faculty members are committed and working as a team to achieve the academic excellence. At the same, the Management of the college is overwhelmingly supportive to the progress of the college. The outstanding leadership of the Principal Dr. Sanjay S. Tekade definitely makes all the difference. His untiring efforts and vision are reflected in academic, administrative and infrastructural development of the college.

### **Academic and Administrative Audit**

In a brief advisory note on AAA, National Assessment and Accreditation Council has specified that “Some HEIs undertake the AAA exercise on annual basis. However, many HEIs prefer to do this exercise once in three years or five years. An internal exercise every year and involvement of external peers once in three or five years could be a good option”. It is indeed a good gesture on the part of Jawaharlal Nehru Arts, Commerce & Science College Wadi, Nagpur to undergo this exercise. Accordingly, the Principal constituted the following experts committee and requested to conduct the Academic and Administrative Audit for the academic years 2018-19 to 2022-23.

1. Dr. Narendra Gharad (IQAC Co -ordinator)
2. Dr. Nitin Kongre
3. Dr. Archana Deshmukh
4. Dr. Subhash Shembekar

Further the Principal also nominated following members of the college to assist AAA committee:

Sl. No.	Name	Designation
1	Dr. Sanjay Tekade	Principal
2	Dr. Narendra Gharad	IQAC, Co-ordinator
3	Dr. Nitin Kongre	Associate Prof
4	Dr. Archana Deshmukh	Assistant Professor
5	Dr. Subhash Shembekar	Assistant Professor
6	Shri Surendra Jawade	Office Superintendent
7	Shri Harsh Kapse	Administrative Staff

The visit of the External AAA Committee was fixed on **25<sup>th</sup> Sept.2023**. The Committee had a meeting in the office of the Principal. Dr. Sanjay Tekade, Principal presented the overall developments and emphasized the progress made in the academic year 2022-23 in all spheres of activities. Members of the Committee discussed the procedural issues and began their exercise as per the programme schedule prepared by the Coordinator, IQAC.

The Committee visited all the teaching departments, support services, administrative sections and other infrastructural facilities and interacted with the teaching staff, coordinators to know the academic and administrative performance. Apart from this, concerned Heads of all departments, sections and services presented their report to the committee. This has given scope of thorough interaction and also for several clarifications.

The Committee after completing all stages of inspection and interactions prepared the AAA Report covering the summarized observations and recommendations.

Highlight the Special facilities (if, any) of the Department.

- Well equipped lab for practical
- Freshness in the department while doing practical
- Distribute textbook to the students in every semesters.
- Conducted student seminar for five minutes each by giving instant topic
- Teachers are available at every time to solve the personal problems of the student

Highlight the unique features and activities conducted by the department:

- Conducted bridge course for the first year new students admitted for fifteen days
- Distributed a textbook to some students for their study for that semester.
- Organized seminar for final year students by giving topic from the syllabus.
- Organized seminar for final year students on practical
- Organized Alumni meet for ex students of the department
- Organized science day on 28<sup>th</sup> Feb. 2023
- Organized Farewell program to final year students of the department

State the Innovative practices adopted in the department:

- Allow each final year student to prepare electronics circuits on a breadboard.
- Student can collect the apparatus needed them self for their practical

Other responsibilities:

Participation in:

Activities	Remarks
Involvement of the student in workshop/seminar organized by other Institutions.	Attended second and third year students
Organized one /two days departmental trip at various places	Organized trip at Shivtirth , Chikhaldara.

Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

- Regularity of theory and practical classes
- Connect with each students to solve his/her issues
- Provide freshness to each students to interact the teachers in the department
- Provide financial help if needed to the students by the teachers
- Provide guidance other than regular teaching by the teacher

Future plans of the department:

- Try to provide more and more help to the departmental students
- Try to solve their problems with in stipulated time
- Try to start P. G. course (M. Sc. Physics) in the department
- Try to motivate the students for self-employment

**Observations:**

- Department has two experienced teaching faculty.
- Innovative teaching methods and techniques are used in teaching-learning activities.
- Regular curricular and Co-curricular activities are conducted by Department.
- Department has taken an initiative to conduct Student's Seminar Competition on college level and Intercollegiate level on the occasion of 'National Science Day' every year.

**Recommendations:**

- Should start a P.G. in Physics.
- Short term courses on Physics, Nano Technology etc. may be initiated.
- Training and placement activity should be organized

23. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the Department.

**Strength:**

- \* Well qualified faculty.
- \* Students are motivated and guided for various P.G. entrance exams like JAM, IISER and JNU, etc.
- \* Harmonious relation among staff, students and parents.
- \* Student centric method is adopted in teaching and learning like e-Lectures, e-Study material.
- \* The Botany lab is well equipped with good number of Practical Instruments like Autoclave, Laminar air flow, Spectrophotometer, pH meter, Incubator and many more along with Digital Board, Computer with internet facility.

**Weaknesses:**

- Admission of students from rural and economically backward class
- No Permanent Faculty

**Challenges:**

- To improve Result

24. Future plans of the department:

**a. Long term plans:**

- Integration of technology in teaching and learning process.
- Multimodal instruction: Multimodal learning through visual, auditory, reading and writing.

**b. Short term plans:**

- To organize Workshop on various practical topics of subjects.
- To organize Soft Skills and Personality Development Training.

**Observations:**

- Department is regularly conducting special and invited lectures from eminent scholars
- Faculty members have won awards for their contributions.
- Both the faculty are on editorial board of Journal on Botany.
- Department regularly organizes educational study tours.

**Recommendations:**

- Department should take an initiative to plant a more medicinal plant in college.
- There should be separate staff room.
- Department should have Training and placement activity.

**28. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.**

**1. Strength**

- a. The Curriculum provides wide range of exposure in the domains of theory, thought, comparative politics, International Relations, Foreign policy and Indian Government and Politics which is useful for the students to pursue competitive examinations, journalism and media, Ngo opportunities etc.
- b. The curriculum is designed under the new Education Policy and provides in diligent measures theoretical, applied and skill based courses which enables the students to pursue various career paths apart from teaching

**2. Weakness:**

- a. The department lacks permanent qualified faculty.
- b. The department lacks exposure to international institutions and exchange programs.
- c. The department lacks additional physical and teaching aid infrastructure.

**3. Opportunities:**

- a. Given sufficient manpower and infrastructure the department has great opportunities in publication, projects, consultancies, collaborations both national and international and other academic related activities
- b. Additional courses can be introduced both in the skill and knowledge domains.

**4. Challenges**

- a. The department has direct competition with government colleges and private universities with better infrastructural facilities and manpower as well as exposure to advanced opportunities.
- b. Politics is a value based discipline and any reductionist idea of skill and employability will erode its very utility which goes in a long way in preparing minds for common good and corporate public life which requires the capacity to indulge in moral discussions and judgements.

- 29. Future plans of the department:**
- a. To make the students efficient for higher study  
Introduce P.G. Course in College & Ph.D. Research Center
  - b. To start a certificate course related to Political Sector.
  - c. To organize International & National Seminar in Politics on current political issues.
  - d. To motivate the faculties for organizing research projects and surveys on regional political and

social problems.

**B. Short Term Plan –**

- Parliament Visit, Vidhan Bhavan Visit
- Educational Tour

**Observations:**

- Department is not having permanent teaching faculty.
- The department has undertaken field trips and assembly visits annually.

**Recommendations:**

- A permanent faculty member needs to be appointed.
- The department should organize awareness program on Indian constitution & Human rights.

## **Student Support Services**

### **NCC**

The NCC is doing a commendable service in Jawaharlal Nehru Arts, Commerce and Science College. It has traversed a long way in inculcating the self-discipline and the National spirit among the brave students of this college. There are numerous activities organized by this unit in the last five years. All the programmes cover camps, leadership training, series of special lectures on different occasions and participation in well-defined movements like Swatch Bharath Abhiyaan, Blood Donation Camp, AIDS Awareness rally, Disaster Management, traffic awareness programs, and others. The most welcoming thing is that the students in large number are participating in the multifarious activities of NCC and many of them have enched the benefit of their participation to shape their future life.

### **National Service Scheme**

#### **(NSS)**

NSS is an extension dimension to the higher education system to orient the student youth to community service while they are studying in educational institutions. It started from inception of the college. NSS has organized cleanliness drive, blood donation camp, health check-up camp awareness rallies, visit to old age home, awareness about no use of plastic, disaster management, street play about environment awareness.

NSS has adopted Khadgaon village and organizes seven days special NSS camp every year. The volunteers work in this village and learn social responsibility.

### **J. N. College Administrative Sections**

The Administrative Sections of the J. N. College is well organized and carrying out the day-today work systematically. College administrative office is adequately furnished with suitable furniture and computer systems with internet connectivity. Most of the operations are done through computer. Admission process, financial transactions are all computerized. E-mail is the major means of communication among the management, teaching staff and other office sections. Even the correspondence with the Govt. UGC, Directors Office and the University is mainly through e-mail. College website is fairly covering all sorts of information about the college including the examination, fees structure, rules and regulations and time to time information and instructions to the stakeholders.

College has taken appropriate measures to provide basic training to administrative staff about the use of IT, office management, file arrangement and also the communication skill, etc. Basic amenities like clean washrooms and drinking water and a congenial office environment is provided. Each and every staff is aware of their duties and responsibilities. It is observed that there is close cooperation and coordination among the section, departments and support services. College management has generously extended all possible employees welfare provision. The frequent visit of the members of the college management has made lot of impact on the staff to maintain the academic and administrative discipline in the college.

### Acknowledgements:

The members of the AAA Committee their appreciation and gratitude to the principal Dr. Sanjay S.
