	<p>Visit to Apiculture Unit at Wardha</p>	<p>As part of academic programmes UG department of Zoology arranged field visit for B.Sc. Final year degree students (21) from Jawaharlal Nehru Arts, Commerce and Science College Wadi, Nagpur. Field visits give opportunities for students to enjoy experiential learning. Students really utilized the opportunity Head of the department Dr. Manisha Bhatkulkar, accompanied with two CHB teachers Mr. Sumit Gurchal and Mrs. Aswini Shende Places of visit and detailed report are given below :</p> <p>Head of the Department of Zoology sought prior permission from Dr. Gopal Paliwal Sir, Secretary, Centre for Bee Development and Bee Management Wardha. For visit on 03 November 2023 for Students of Final year B.Sc. Zoology and accompanying teachers reached the centre by Bus arranged from our college. We started at 8.30 am from college by bus and we reached there at 10.30 am. Dr. Gopal Paliwal, Director of Bee keeping and Management Centre Wardha has deliver the lecture and also shared very important information about Honey Bee keeping ,honey bee products and also shared the information about government strategies with the help of power point presentation. He also focus and giving practical knowledge about how honey could be extract from Bee hive In the end, Mr.Sumit Gurchal CHB Teacher proposed vote of thanks on behalf of Department of Zoology & Jawaharlal Nehru Arts, Commerce and Science College Wadi, Nagpur to for their permission to visit and enlightened students with fruitful knowledge. This field visit was a really interesting and motivating one.</p> <p>It was not until recently that the government made efforts towards improving the practice of beekeeping. The government has now recognized the practice as one of the economic activities that has potential for contributing to poverty reduction in the country.</p> <p>After that visit we all were visited to Sewagram Mahatma Gandhi Ashram there we all taken our lunch and visited to Bapu Kuti, Baa Kuti and other places. After that we reached at Pawnar ashram of Shri Vinoba Bhave there we spent much time after that returning from Pawnar ashram we had been to Kelzar which was on the way to Nagpur .there we had been visited to Ganesh temple, and then we reached very safely to our destination (Wadi, Nagpur) at 8.30 pm</p> <p>. We are grateful to our Principal Dr. Sanjay Tekade Sir for permitting us to visit the Apiculture Unit, Sewagram, Pawnar Ashram and Kelzar Ganesh Temple.</p>

2	Outcome	<ol style="list-style-type: none"> 1. It also encourages the students to realize the importance of self-employment. 2. The field trip helped the students to have practical experience. Whatever they learned in the classroom, they observed it in the field itself. 3. It helps them visualize potential career choices. 4. They can also start their own projects so that they would be able to self-employment. 5. Students enable to understand the principles of beekeeping and honey production. 6. They also learn how to create and maintain beehives as well as to harvest their own honey and beeswax. 7. They can also start their own projects so that they would be able to self-employment.

Sub: Certificate regarding students' visit at our beekeeping centre

Respe. Sir,

It is to certify that around 21 student of **B.Sc. final year biology** section of your esteemed college along with the staff members have visited our institution on **03rd Nov, 2023** to learn the theoretical as well as practical aspects of bee-biology & behaviour, bees' association with the nature through pollination, types of bees, their respective scientific management practices for sustainable productivity of bee-products like honey, wax, pollen, etc.

This field visit seems successful & fruitful as bee-awareness is created amongst the students.

Therefore, this certificate has been issued in your favour.

With regards,

DR. G. N. PALIWAL
SECRETARY
