Report on Student Feedback Analysis for the session 2019-2020.

Students of line feedback forms were prepared and filled by the students at the end of the session. In the introductory part of the form, the students had to give their details about the course opinion related to course content, relevance of the course, sufficient amount of reading material available in the college library and also about the methods of internal assessment. They have to report their answers in the form of six grade scale from easy to very difficult about syllabus. In the student's feedback analysis 2019-20, total 277 students from the college filled the student feedback form. As per the analysis, 2.32% students rated that the syllabus is somewhat difficult to understand and to study and 3.48 % student's found the syllabus is very difficult to understand and study. Syllabus is practically useful willingly rated by 89.61% students. 95.40% students said yes that the syllabus help to provide employment.4.42% students said cannot say for this question. Syllabus is up-to-date said by 91.78% students. And 8.31% students said it is little bit up-to-date. Syllabus was helpful for developing soft skill rated yes by 91.71% students. And it is little bit soft skill based said by 8.39% students.89.23% students willingly rated yes for satisfied with the present syllabus and 10.76 % students are little bit satisfied with the current syllabus. Student's opinion on syllabus is interesting but somewhat difficult but they equally feel that it should be more practical and job oriented. Students also suggest that examination system should be annual pattern rather than semester.
