Student Feedback Analysis for the session 2023-2024

Students of line feedback forms were prepared and filled by the students at the end of the session. In the introductory part of the form, students to give their details about the course opinion related to course opinion related to course content, relevance of the course, sufficient amount of reading material available in the college library and also about the methods of internal assessment. They have to report their answers in the form of six grade scale from easy to very difficult about syllabus. In the student's feedback analysis 2023-24, total 108 students from the college filled the student feedback form.

As per the analysis, 56.5 % students rated that the syllabus is easy to study and 20.4 % students said somewhat difficult to understand and 4.6 % students found the syllabus is very difficult. Syllabus is practically useful willingly rated by 83.3 % students. 68.5 % students said that syllabus help to provide employment. 13.9 % students said no for this question. Syllabus is up-to-date said by 75.9 % students. 13.9 % students said that it is little bit up-to-date. Syllabus was developing soft skill rated yes by 76.9 % students. It is not soft skill based said by 13.9 % student.

75.9 % students willingly rated yes for satisfied with the present syllabus and 16.7 % students are not satisfied with current syllabus. According to students opinion syllabus is interesting but somewhat difficult but they equally feel that it should be more practical and job oriented. Students also suggest that examination system should be annual pattern rather than semester.
